Sir:

In response to the Notice to File Corrected Application Papers mailed March 19, 2004, please amend the above-identified application as follows:

Amendments to the drawings begin on page 2 of this paper and include both an attached replacement sheet and an annotated sheet showing changes.

Remarks begin on page 3 of this paper.

An Appendix including amended drawing figures is attached following page 3 of this paper.

AMENDMENT TO THE DRAWINGS

The attached sheets of drawings include changes to FIGS. 2, 4, 6, and 8. These sheets replace the original sheets including FIGS. 2, 4, 6, and 8. The only change to the drawings is that the size of the "X" crossing out the arrow labeled "P0" (Port 0) has been reduced to avoid overwriting. Please note that the "X" itself indicates that the port is blocked (Specification, page 4, lines 21-22).
